MBAA International Virtual Conference

MBAA International is your flexible, make-good-things-happen partner – it's another reason why MBAA International is known as America's Best Conference Value.

Submit your paper now, then choose your delivery mode when the time is right. Live stream on-line or pre-recorded on-line—MBAA International is here for you. We'll make it happen and we'll make it good.

Submission Guidelines

MBAA International makes the submission process convenient and easy and we provide timely status feedback.

- Please submit papers, panel proposals, and presentation ideas to the appropriate professional division chair. MBAA International has a place for every well-developed topic, traditional or non-traditional, related to any area of business.
- Send your paper to only one division. If you are unsure about the choice of appropriate division, contact **Larry Bauer, 2021 General Program Chair**, lbauer@mun.ca (709-764-0820) or **Jeff Clark, MBAA Executive Director**, jeff.clark@mtsu.edu (615-898-2838).
- Include the name, affiliation, email address, mailing address, and phone number of each author with your submission, preferably on a separate cover page. Please do not refer to the author(s) in the manuscript.
- Contact the appropriate professional division program chair to determine acceptable guidelines by the division for paper presentations and refereed papers.
- Acceptance notifications will come from the division.
- Papers must not be under consideration by other conferences or journals. They must not have been presented elsewhere before the 2021 MBAA International meeting.
- Author(s) must register for the conference and at least one author must make a presentation. Everyone who presents must register.

2020 Submission Roll-Over—Many of our 12 tracks are “rolling over” acceptances from the cancelled 2020 conference. Check with your track chair to see if you're one of the lucky ones.

You Choose Your Method of Participation

We don't know what's going to happen next March, BUT We DO know that we all need to continue our work and MBAA International is committed to making it viable, valuable, and rewarding.

Because so many of our colleagues have restricted travel this year and there's so much uncertainty (for example, as I write this in late October, the Palmer House remains closed), we've made the very difficult decision to go all VIRTUAL for our 2021 conference. We do plan to be back in Chicago for our 2022 conference.

Jeff Clark, Executive Director
